FACILITIES

Intra Harbor, Pallanza Harbor, Suna small harbor

These three harbors and the ramps to the lake enable the docking for more than 250 small and medium-sized boats. Municipality of Verbania - Settore Demanio Pubblico Lacuale (Water State Property)

e-mail demanioidrico@comune.verbania.it

In Pallanza and Intra it is also possible to dock for a short stop in the following places:

PALLANZA

The pier in Corso Zanitello, near Villa Giulia, is assigned to paid temporary stops (10€/12 hours; payment terminals are in Corso Zanitello); it is possible to dock boats up to ten meters length, for a quick stop or transiting.

There are 20 boat moorings with docking, and 3/5 additional boat moorings beside the quay, and an embarking-disembarking area; on the pier is available a crane for people with disabilities. Next to the pier there is a slipway, for small and medium size boats. At night, it is delimited by a small white light.

The pier in Viale delle Magnolie is assigned to temporary stop only.

INTRA

The pier in Intra is under construction.

Nautical Rescue Team

Operating center: *Lungolago Giovanni Palatucci*

First Aid volunteer association which operates in Verbania as emergency service with ambulances or on the lake.

In case of health emergency on the lake, it ensures ambulance and boat service 24h on 24, being part of the Regional Service for health emergencies. It is authorized to operate interhospital transfers of non-critical patients, also on medical cars.
